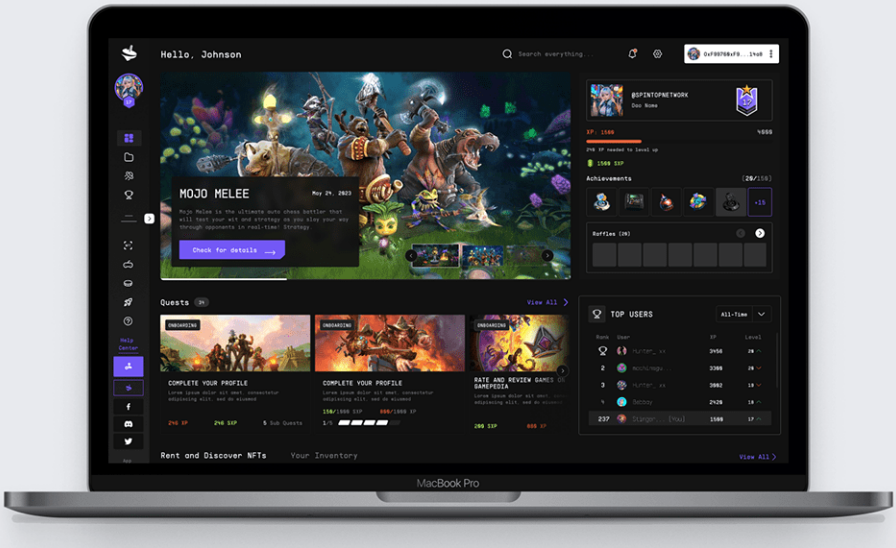
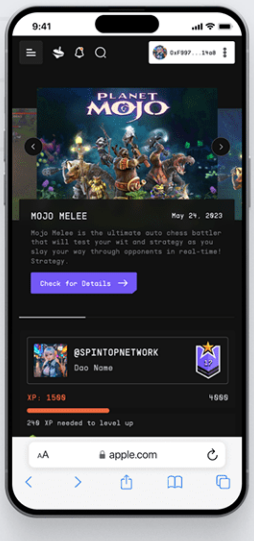
A gaming desktop where users have quick access to research new games, quest progress, their game data, and top users with chat.



/ 03 / USER DASHBOARD / CONTROL PANNEL

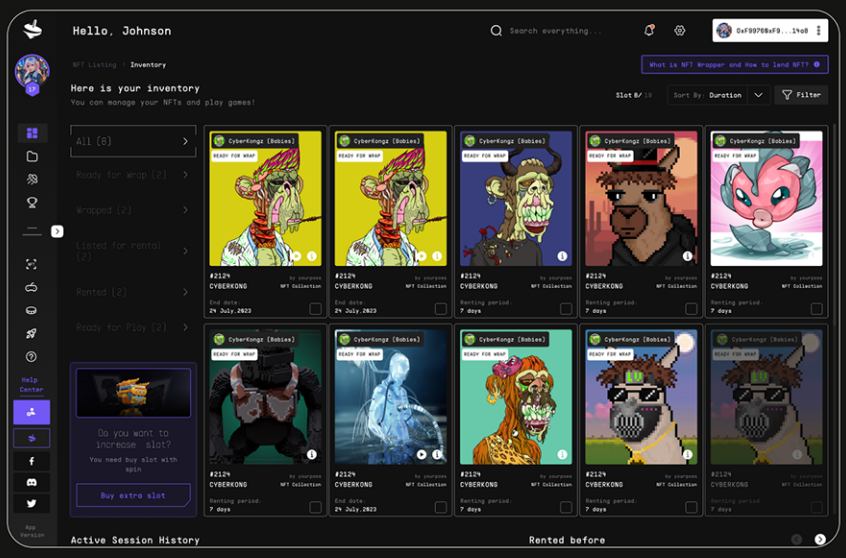
The mobile version is just as easy to use and has all the features of the desktop version. You can log in from your mobile device and play wherever you are.



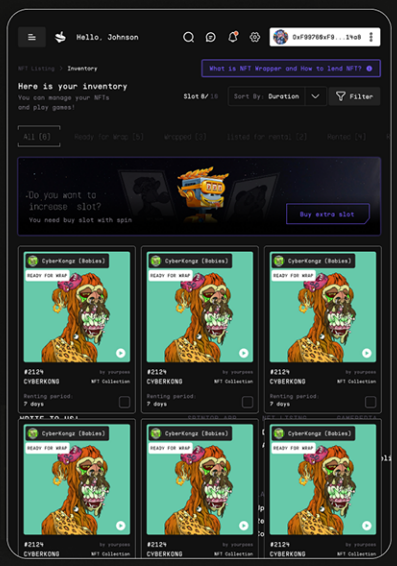
/ 84 / INVENTORY

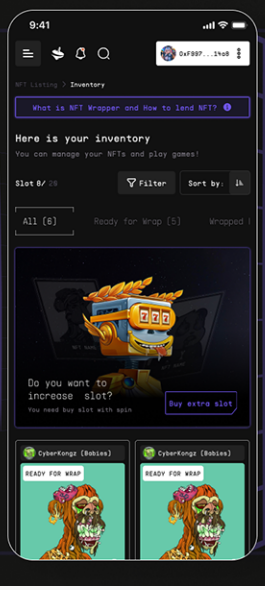
/ 84 / USER NFT INVENTORY

It is a user's NFT inverter that they can control and play games with to maximize efficiency and improve the gaming experience.



Convenient NFT management. Filtering will help you to quickly sort by the desired value and find the desired NFT, even if there are many of them.





/ 05 / COLORS

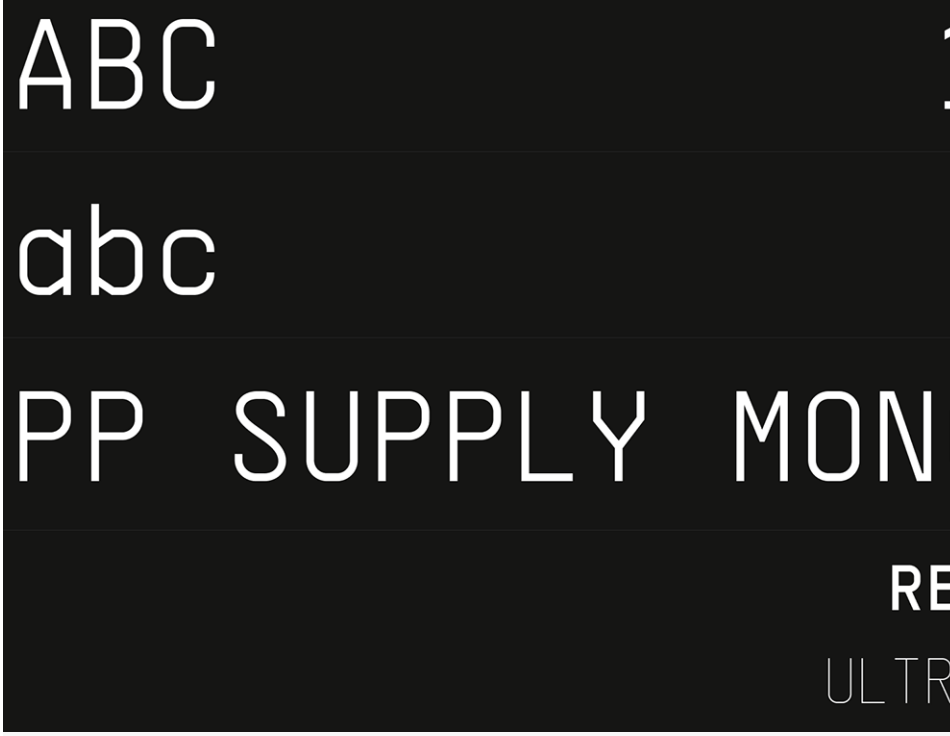
/ 05 / THE MOOD FOR THE COLORS

We used modern bright colors that will be associated with games and NFTs. They will also help users recognize Spintop and distinguish it from competitors.

/ 06 / TYPOGRAPHY

/ 06 / 02 TEXT STYLE

Supply is a solid and versatile typeface inspired by industrial design and architecture. Its precise curves and sharp angles makes this new font one for every designer's toolbox. It comes in 2 useful cuts: a Sans Serif and a classic Monospace for more structured designs



/ 07 / ICONS

/ 07 / ATTENTION TO DETAILS

The icons we selected for Spintop were organized into a single system with the same style and drawing. Each icon plays its own important role in the interface to make it convenient for users.
